

2024-2025 High School Diploma/GED Verification Worksheet

Student's Name: _____ Kent State ID Number: _____

To be eligible to receive federal financial aid, including Federal Direct Stafford Loans, a student must be qualified to study at the postsecondary level. A student qualifies if they meet one of the following requirements:

- The student has a high school diploma (this can be from a foreign school if it is equivalent to a U.S. high school diploma).
- The student has the recognized equivalent of a high school diploma, such as a General Educational Development (GED) certificate.
- The student completed homeschooling at the secondary level as defined by state law.

You did not report on your 2024-2025 Free Application for Federal Student Aid (FAFSA) that you received a high school diploma or the equivalent, and you do not have a final high school transcript or GED on file at Kent State University. As a result, Kent State cannot award you federal financial aid. In order to resolve this situation, a correction must be made to your FAFSA.

Please complete this form and submit it to the One Stop for Student Services or your Regional Campus student services area. This information will be reviewed to determine whether or not you will be eligible to receive federal financial aid.
