ADDITIONAL RESOURCES DECLARATION FORM  
2015-2016

NCAA regulations require that you disclose any non-Kent State University scholarship or addition financial assistance that you will receive during the 2015-2016 academic year (Summer 2015, Fall 2015, Spring 2016 semesters), as this may affect individual award limits and team limits on the number of Athletic Grants-in-Aid that can be offered by Kent State University. Examples of outside resources include, but are not limited to:

1. Scholarships, prizes, checks, or grants from:
   - Your high school
   - A community organization or church
   - An athletic or athletic booster organization
   - The parents’ employer or the student’s employer

2. A faculty/staff dependent tuition fee-waiver from Kent State University or another institution.

You are not required to report federal or state grants, Kent State scholarships or grants, or student loans.

Please note, you must contact the Student Financial Aid Office to update your information if you receive a new award from an outside source or if any of the information that you provided changes during the 2015-2016 academic year.

You must sign, date, and return this form to the Student Financial Aid Office. Your Athletic Grant-in-Aid will not be released to your student account at the Bursar’s Office unless this form has been received. Use the following options to return the form:

To avoid NCAA violations and student-athlete eligibility issues. All outside scholarship awards that will be disbursed during the 2015-2016 academic year must be sent to the Kent State University Bursar’s Office by the donor. Outside scholarship awards must NOT be given directly to the student athlete.
