

Total and Permanent Disability Discharge 2023-2024

STUDENT NAME _____ KENT STATE ID NUMBER _____ Date _____

The National Student Loan Data System indicates that you have had federal student loans discharged (canceled/forgiven) due to total and permanent disability. To be considered for additional federal student loans or TEACH grants, you must complete the following form. You **DO NOT** need to complete this form unless you want to borrow new federal student loans or TEACH grants. You will be offered your other financial aid eligibility including Pell grant, FSEOG, FWS and state-based aid without this form. You are required to complete this review annually, with each new FAFSA application, as required by federal regulations.

For Title IV aid purposes, the phrase “substantial gainful activity” means a level of work performed for pay that involves doing significant physical or mental activities or a combination of both. If a physician’s certification does not appear to support this status, the school will contact the physician for clarification.
