# IMPORTANT FINANCIAL AID INFORMATION

## FINANCIAL AID OFFER

- Financial aid with a status of “Offered” must be accepted or declined through the student’s FlashLine account.
- Financial aid is subject to change at any time. This may occur if Kent State receives new or additional information about items such as the student’s Free Application for Federal Student Aid (FAFSA), enrollment status, or changes to federal or state financial aid programs.
- A student who has met all requirements will have their financial aid applied to their bursar account 10 days prior to the start of classes for that term.

For consumer information and disclosures, visit [WWW.KENT.EDU/FINANCIALAID](http://WWW.KENT.EDU/FINANCIALAID).

## EXTERNAL RESOURCES AND TUITION FEE WAIVERS

Students must report any external awards they will receive from sources outside Kent State University, such as scholarships and tuition assistance or reimbursement. You are also required to report Kent State Employee Tuition Benefit Waivers and NEOMED employee tuition benefits. However, you do not need to report tuition waivers or external awards already noted on the award offer.

Please report external awards as soon as possible, because they may affect your financial aid package. If notification of an external award is received after financial aid has been processed, adjustments to other aid may cause you to owe a balance to Kent State.

## REPORTING EXTERNAL RESOURCES AND TUITION FEE WAIVERS

Report Kent State Employee Tuition Benefit Waivers and NEOMED employee tuition benefits at [WWW.KENT.EDU/FINANCIALAID/WAIVER](http://WWW.KENT.EDU/FINANCIALAID/WAIVER). Report external awards in your FlashLine account. Sign in to FlashLine at [login.kent.edu](http://login.kent.edu), select Student, then Finances, Financial Aid and Financial Aid Awards. Select the academic year from the drop-down menu and then select the Resources/Additional Information tab. Scroll down to enter your external award information.

## SCHOLARSHIP TOOLS

Review our scholarship tools to help you find additional scholarships: [WWW.KENT.EDU/FINANCIALAID/ADDITIONAL-SCHOLARSHIPS](http://WWW.KENT.EDU/FINANCIALAID/ADDITIONAL-SCHOLARSHIPS).

## LOAN INFORMATION

*Student Borrower Requirements (Federal Direct Loan)*

- If you accept the loan(s), you must log in to [STUDENTAID.GOV](http://STUDENTAID.GOV) with your Federal Student Aid ID (FSA ID), complete entrance counseling, sign a Master Promissory Note (MPN) and complete the Informed Borrower Tool.

## ENROLLMENT

Your financial aid is based on the campus and enrollment status printed on your enclosed financial aid offer. If you are no longer planning to attend Kent State contact the Admissions Office at 330-672-2444 or your Regional Campus Admissions Office.

## 529 COLLEGE SAVINGS PLANS

If you plan to pay your bill at Kent State using a third-party payment (e.g., 529 plan, scholarship, employer payment, etc.), please make appropriate arrangements with your plan provider and allow adequate time for payment to be received and processed by the due date. We generally suggest at least two weeks notification to your third-party payment provider.

## FEDERAL DIRECT PLUS LOAN (PARENT BORROWERS)

This loan is available to the biological or adoptive parents of dependent, undergraduate students. The stepparent whose information is reported on the FAFSA may also apply. 3. Receive an immediate credit decision.

  - b. If the PLUS loan is not approved:
    - The student may accept an additional unsubsidized loan based on his/her eligibility (freshman/sophomore – \$4,000). This loan will be offered to the student and can be accepted in FlashLine.
