2014-2015 Student Verification of Enrollment Appeal Form
(NOTE: A separate form is required for each course being appealed)

A student who was enrolled in one of your courses during the ____________ term (summer 2014, fall 2014, or spring 2015) submitted this form to you. The student received a grade for your course of “NR” (Never Recorded), “W” (Withdraw), “NF” (Never Attended Failed) or “SF” (Stopped Attending Failed). Federal financial aid regulations require that a student who never attended classes or stopped attending classes during the semester, return some or all of their financial aid to the Department of Education. Accurate reporting of the student’s last date of attendance is necessary since significant changes to a student’s financial aid can result in a student having to return financial aid, can affect future financial aid eligibility, and affect the student’s ability to register for future terms and/or receive transcripts from Kent State University. This form has been given to you by the student to verify his/her actual enrollment and/or last date of attendance.

It is imperative that a distinction is made between whether the student ever attended your class at all, or if they stopped attending and the date of their last attendance, if known. This is not a grade change report. It is a clarification so we can maintain compliance with federal financial aid regulations. Please complete this form and return it to the Student Financial Aid Office.
